### “CHRISTMAS TOYLAND” FLORAL DISPLAY

This Christmas season, toys reign supreme in the brand-new "Christmas Toyland" floral display. Venture into the North Pole and explore a magical wonderland where toy soldiers march alongside roaming reindeers, and teddy bears man a sleigh station – all amidst yuletide floral favourites like the poinsettia, Christmas rose, winter heather and holly!

Towering over the enchanting floral display is the centerpiece of “Christmas Toyland” – an 11-metre-tall Christmas Pyramid decked with toys. This multi-tiered traditional German wooden carousel will transform into a ‘live’ stage, hosting a series of festive performances for the very first time in the flower field.

**Location:** Flower Dome

**Date:** Saturday, 21 Nov 2015 – Tuesday, 5 Jan 2016
