## The Dance of Flowers

Open to the public in April 2019, Floral Fantasy is a 1,500m<sup>2</sup> space where flowers, artistry and technology come together to create a dream-like, fantastical experience for visitors. It comprises four diverse garden landscapes, each showcasing a different concept.

Inspired by our Floral Fantasy attraction, the picture on the next page has different flowers and leaves seemingly "dancing" together. If you look hard enough, there are hidden words in there that describe the wonderful feelings of being in nature. Spot them and colour them in!
