

# Experiencing Nature

## A Nature Trail for Secondary Schools

1. Name five cash crops that are planted at the Colonial Garden.

a. \_\_\_\_\_ b. \_\_\_\_\_ c. \_\_\_\_\_

d. \_\_\_\_\_ e. \_\_\_\_\_

2. Find a spot at Gardens by the Bay which allows you to capture a picture of your group members with the Singapore Flyer, a Conservatory and the Supertrees as the backdrop. Take a picture together and share it with 10 friends.

3. Take a picture of a place called Eco-Wise. As a group, find out how Eco-wise works and its advantages. Describe at least three advantages below:

---

---

---

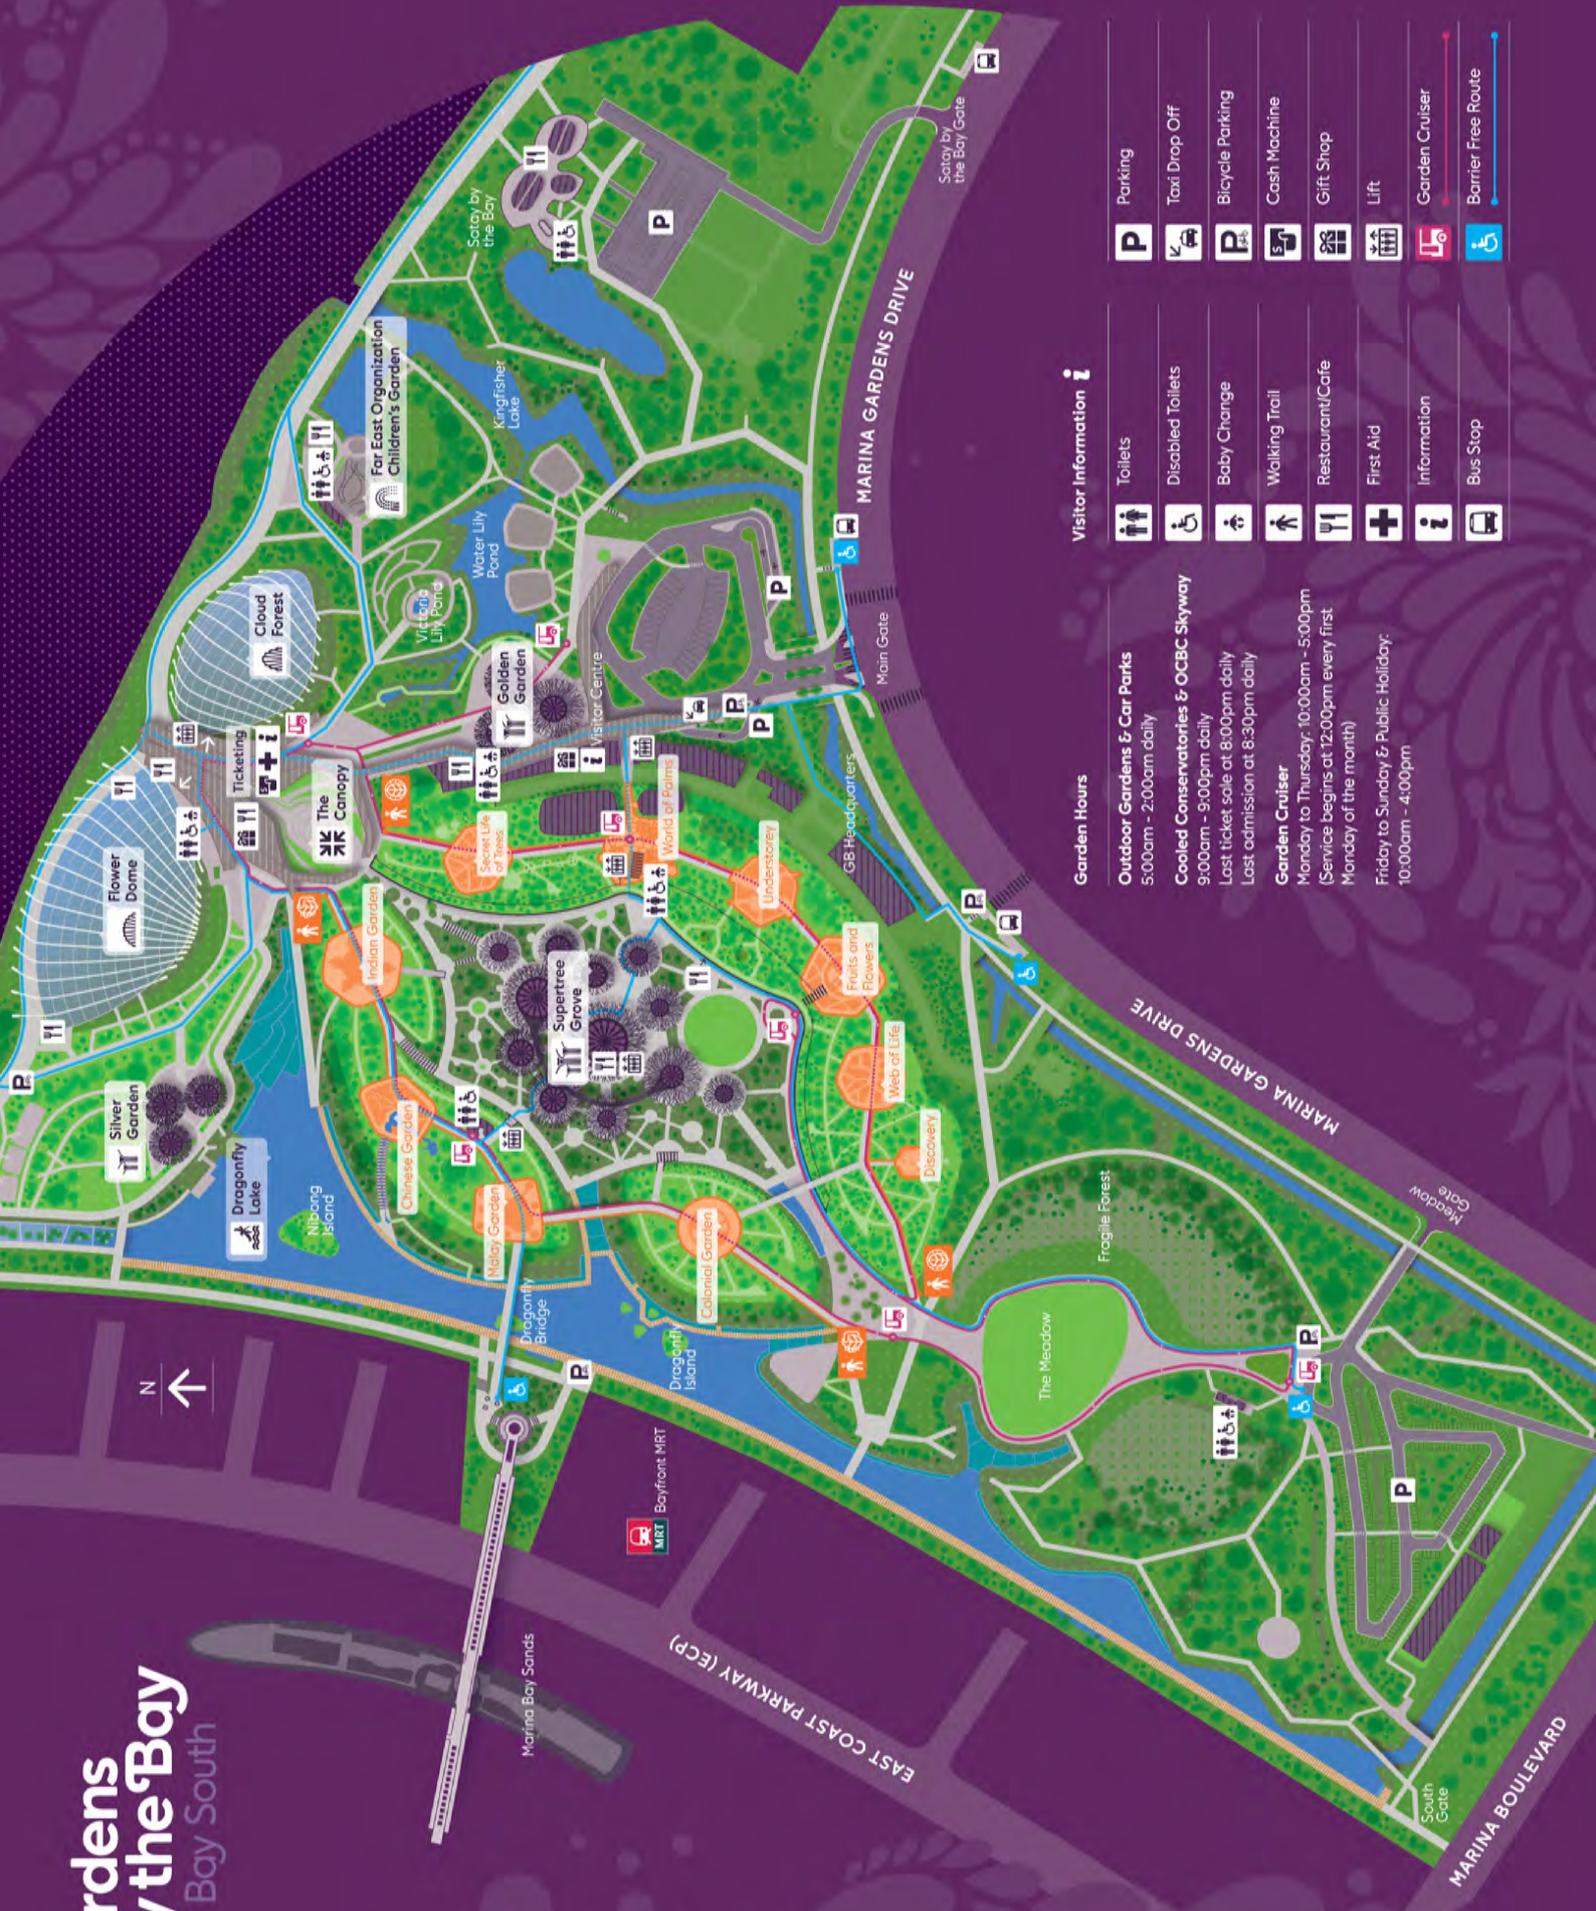

---

4. Do a flora and fauna study and record your findings in your sketch book or note book.

- Identify five flora and five fauna and write down their names.
- Take photographs of each of them and draw them in your sketch book or note book.
- Write their uses in your sketch book or note book.
