CALENDAR OF EVENTS: AUGUST 2015

GARDENS BY THE BAY CELEBRATES SINGAPORE'S 50TH BIRTHDAY

Singapore's 50th birthday celebration comes into bloom at Gardens by the Bay! Enjoy a host of offerings including a brand-new orchid floral display showcasing Singapore stories, a SG50 edition of the Garden Rhapsody music and light show, and special deals for admission to the cooled conservatories. What's more, as one of the satellite sites for this year's National Day Parade, visitors can catch spectacular fireworks and aerial displays performed by the Republic of Singapore Air Force on 9 August. Come celebrate with us at the Gardens!

"FROM TALES TO LEGENDS: DISCOVER SINGAPORE STORIES" FLORAL DISPLAY

Amidst a sea of orchids, the mythical Merlion battles a 10-metre-high "wave" and saves a fishing village from nature's wrath.

Against the backdrop of an undulating green wall, a sorcerer's evil plan and the mystery of Bukit Timah Hill unfolds.

Hidden in a secret garden is the legend of Radin Mas and the enchanting story of a filial princess.

In celebration of Singapore's golden jubilee, 10 local folklore are brought to life through the creative use of orchids and other flowers in "From Tales to Legends: Discover Singapore Stories" – a SG50-commemorative floral display in the Flower Dome at Gardens by the Bay.

Designed by award-winning Singaporean landscape architect, Damian Tang, and featuring more than 8,000 orchids and plants, the colourful floral showcase recollects the many tales and legends that surround this city-island. Come discover the stories behind Tanjong Pagar, Redhill, Sisters' Island, Pulau Ubin, Kusu Island, Sang Nila Utama and the Singapore Stone – as told through the language of plants. Along the way, take a walk down memory lane with scenes from the past that pay tribute to the unsung heroes who helped to build this nation.
