by the Bay

Gardens Partner PROGRAMME

Camellia x 'Sweet Jane'

Nurture a world of Gardens with us

Do you recall a time when an extraordinary flower caught your eye or when you marvelled at nature's endless ability to delight all your senses? At Gardens by the Bay, we let nature's beauty soothe and thrill in every imaginable way.

Gardens by the Bay is a showpiece of horticulture and garden artistry that presents the plant kingdom in a whole new manner. As a sanctuary where wonder blooms, we entertain and educate visitors with plants seldom seen in this part of the world.

While horticultural displays remain the Gardens' primary focus, we strive to provide engaging community events, educational programmes, and delightful experiences for our visitors, and seek to inspire others with our environmentally sustainable practices.

Gift and Grow with the Gardens

A registered charity with an Institution of a Public Character (IPC) status, Gardens by the Bay covers only a portion of its operating costs through government grants and various revenue streams, while keeping most of its recreational garden spaces, facilities and community programmes freely accessible to the public. Therefore, every donation supports our work, be it creating exquisite floral displays that uplift moods or staging vibrant festivals for an exhilarating time at the Gardens, where precious memories are created with friends and loved ones.

Your support is especially vital in these challenging times to enable us to refocus on our horticultural competency in growing temperate flowers for our floral displays. This will help to reduce our reliance on overseas plant suppliers and minimise our carbon footprint. If nature, outreach or environmental sustainability holds a special place in your heart, we invite you to be our Gardens Partner and help us nurture a world of gardens for all to cherish.

Become a Gardens Partner and make a difference

Join like-minded individuals who share our vision of leaving a green legacy for future generations. Renewable annually, our Gardens Partner Programme offers exclusive privileges which include complimentary access to our five main attractions, invitations to signature events and unique Gardens' experiences, as our appreciation for your patronage. You will also be acknowledged on our website and annual report.
