

ANNEX B

Cultural Performances

This year, a myriad of cultural performances featuring music and dance will take place on the Mooncake Medley lantern set at Supertree Grove, which also doubles up as a stage.

A special edition of the Garden Rhapsody music and light show, Tales of the Moon, will also enchant visitors throughout September. Twice each evening, the lights on the Supertrees will dance to a captivating soundtrack of moon-themed songs in both English and Mandarin.

All cultural performances and Garden Rhapsody are free.
