TULIPMANIA 2015

TULIPMANIA FLORAL DISPLAY

The highly anticipated, annual Tulipmania display returns to Gardens by the Bay - this time amidst a colourful setting of magical fairy tales. In this third edition, visitors can look forward to an even wider selection of tulips at Tulipmania - over 40 varieties in a myriad of hues and forms! Look out for captivating blooms like the scarlet "Red Riding Hood", the "Purple Prince", and the "Orange Princess" as they grace familiar fairy tale settings like Cinderella's carriage, Rapunzel's tower, and the ginger bread house of Hansel and Gretel. There's even a tulip called "Singapore"!

"Tulipmania" is the second of six chapters in Gardens by the Bay's storytelling journey in 2015. This enchanting series of floral displays for the year will draw visitors into the magical world of folklore, legends, fairy tales and nursery rhymes as told through the language of plants.
