

Friends of the Gardens

Complimentary Parking - Transition Period Coupon

If you visit the Gardens during the 5-day processing time, please present the complimentary 2-hour parking e-coupon in your membership app at our Friends of the Gardens Centre to receive a physical parking coupon.

To find your free parking coupon:

Simply log on to your GB mobile app, select "Friends", then "Privileges & E-Vouchers", followed by "Complimentary 2-hour Parking". Members are eligible to redeem up to 3 e-Coupons for their own use before their vehicle information has been updated in the parking system.

To use your free parking coupon:

1. Remove your CashCard from the vehicle's In-Vehicle unit (IU) before driving up towards the carpark exit barrier.
2. Scan the complimentary parking coupon at the exit gantry. This would deduct the value of \$3.60 from the total charges (value for 2 hours of complimentary parking).
3. If your vehicle has been parked for more than two hours, insert your CashCard into the IU to pay the remaining parking fees.
