Installations in Flower Dome	
	<p><b>1. Electric Yellow and Deep Coral Tower</b></p> <p><i>The spectacular Electric Yellow and Deep Coral Tower sculpture greets visitors when they enter Flower Dome.</i></p> <p><i>It is complemented by a terrace garden at the centre flower field filled with red, pink, orange, yellow and white blooms of begonias, miniature roses and hydrangeas.</i></p>
	<p><b>2. White Tower</b></p> <p><i>Around the majestic White Tower sculpture in the centre flower field are large bromeliads, palms and African daisies grown by Gardens by the Bay's horticulturists, which create an organic landscape of pinkish and purplish hues inspired by the sculptures.</i></p>
	<p><b>3. Erbium Reeds and Trumpet Flowers</b> <b>4. Neodymium Reeds</b></p> <p><i>The Erbium Reeds and Trumpet Flowers, as well as the Neodymium Reeds sculptures, in the centre flower field are surrounded by large bromeliads, palms and African daisies grown by Gardens by the Bay's horticulturists, which create an organic landscape of pinkish and purplish hues inspired by the sculptures.</i></p>

## Installations in Cloud Forest

### 1. Ruby Red Chandelier

*The Ruby Red Chandelier sculpture is set against the vast greenery of the Cloud Mountain, resembling crystalline formations in an exotic forest.*

### 2. Uranium Green Icicle Chandelier

*The Uranium Green Icicle Chandelier sculpture is set against the vast greenery of the Cloud Mountain, resembling crystalline formations in an exotic forest.*

*Two sculptures, **Cloud Forest Persians** and **Fiori Verde** are currently being installed and will be ready for public viewing from 23 April 2021.*
